Take a walk on the wild side

JUDE MCCUDDEN, GIRL FROM OZ

Over the past 3 years, I'm so accustomed to being introduced to northern hemisphere animals, asking questions about them and taking photos of these creatures, that it was interesting for the shoe to be on the other foot. At this wild life sanctuary for Australian indigenous animals, I watched my Canadian mate marvel at the platypus, koala and echidna, watch raptor birds soar into eucalypt trees and feed a kangaroo. The animal was hungry and kept hopping closer as the kanuk tentatively put his hand out with leaves and carrot pieces. Soon he started to stroke the animal and pat it. As an experienced hunter and bush man, his intuition to stay calm and take things slowly soon kicked in, while a tourist group of small Japanese children giggled and screamed excitedly close by. The sweet doleful eyes of his kangaroo looked relieved they'd got the Canadian to feed them.

### I AM CANADIAN

Hey - I'm not a lumberjack or a fur trader  
 And I don't live in an igloo  
 Or eat blubber or own a dog sled  
 And I don't know Jimmy, Sally or Suzy from Canada, although  
 I'm certain they're really, really nice.  
 I have a Prime Minister, not a President  
 I speak English and French, not American  
 And I pronounce it "about," not "aboot."  
 I can proudly sew my country's flag on my backpack.  
 I believe in peacekeeping, not policing  
 Diversity, not assimilation  
 And that the beaver is a truly proud and noble animal.  
 A toque is a hat  
 A chesterfield is a couch  
 And it is pronounced zed, not zee, ZED!  
 Canada is the second largest landmass  
 The first nation of hockey  
 And the best part of North America!  
 My name is [insert yourname here]  
 And I AM CANADIAN!

*La Luz y La Verdad*

"A GOOD name is rather to be chosen than great riches, and loving favour rather than silver and gold. The rich and poor meet together: the Lord is the maker of them all. A prudent man foreseeth the evil, and hideth himself: but the simple pass on, and are punished. By humility and the fear of the Lord are riches, and honour, and life. Thorns and snares are in the way of the froward: he that doth keep his soul shall be far from them. Train up a child in the way he should go: and when he is old, he will not depart from it. The rich ruleth over the poor, and the borrower is servant to the lender."
