### Rural Municipality of Grahamdale

All government agencies (public sector) must develop an Accessibility Plan to address accessibility barriers in policies, practices and procedures. The goal is to ensure Manitobans of all abilities have full access to programs and services designed to meet the public's needs.

In preparation of a municipal accessibility plan, each municipality is required to consult with people with differing abilities for advice and recommendations.

We would like to invite R.M. of Grahamdale residents to the **Moosehorn Hall on Wednesday, July 12, 2017 at 6:00 p.m.** to take part in this consultation process. Our goal is to prepare an action plan to deal with the removal of any identified barriers which may exist. Refreshments will be served.

If you have any questions or would like to discuss the Accessibility Plan, please call the R.M. Office at 768-2858.

Shelly Schwitek, CMMA  
Chief Administrative Officer

### What is a Dad?

A dad is someone who wants to catch you before you fall but instead picks you up, brushes you off, and lets you try again.

A dad is someone who wants to keep you from making mistakes but instead lets you find your own way, even though his heart breaks in silence when you get hurt.

A dad is someone who holds you when you cry, scolds you when you break the rules, shines with pride when you succeed, and has faith in you even when you fail.

### SEAN ANDREW DAVIDSON

*Sadly on May 29, 2017, Sean Andrew Davidson passed away suddenly, with his twin brother and friends by his side.*

Sean leaves to mourn his mother Pam, twin brother Chris, aunt Cathy and cousins David and Samantha, aunt Diane (Greg) and cousins Eric, Kendra and Kaitlynn along with many friends.

He is predeceased by his father Terry Davidson in 2011 and his grandparents.

Sean was born at the St. Boniface Hospital in Winnipeg, MB on January 17, 1976. He spent the first couple of years of his life in Gypsumville, MB. The family then moved to Lundar, MB. Sean attended Lundar School. He worked at numerous places around Lundar. His last few years were helping look after his mother Pam and his late father deal with Parkinson's. Sean was the real life of any party and he was always smiling and loved playing loads of practical jokes. He really enjoyed fishing, hunting, packing down the back roads and taking their dog Nelly for a ride.

Cremation has taken place and a private family memorial will take place at a later date.

We would like to thank the paramedics that tried desperately to keep Sean with us.
